The Debt Securities will be direct unsecured obligations of the Bank constituting subordinated indebtedness for the purposes of the *Bank Act* (Canada) (the "Bank Act") and will not constitute deposits that are insured under the *Canada Deposit Insurance Corporation Act* (Canada).

This Prospectus, including those documents incorporated by reference, may contain forward-looking statements. All such statements are made pursuant to the “safe harbour” provisions of, and are intended to be forward-looking statements under, applicable Canadian and U.S. securities legislation, including the U.S. Private Securities Litigation Reform Act of 1995. Forward-looking statements include, but are not limited to, statements made in this Prospectus and the 2022 MD&A (as defined herein) under the heading “Economic Summary and Outlook”, under the headings “Key Priorities for 2023” and “Operating Environment and Outlook” for the Canadian Personal and Commercial Banking, U.S. Retail, Wealth Management and Insurance, and Wholesale Banking segments, and under the heading “2022 Accomplishments and Focus for 2023” for the Corporate segment, and in other statements regarding the Bank’s objectives and priorities for 2023 and beyond and strategies to achieve them, the regulatory environment in which the Bank operates, and the Bank’s anticipated financial performance. Forward-looking statements are typically identified by words such as “will”, “would”, “should”, “believe”, “expect”, “anticipate”, “intend”, “estimate”, “plan”, “goal”, “target”, “may”, and “could”.

By their very nature, these forward-looking statements require the Bank to make assumptions and are subject to inherent risks and uncertainties, general and specific. Especially in light of the uncertainty related to the physical, financial, economic, political, and regulatory environments, such risks and uncertainties – many of which are beyond the Bank’s control and the effects of which can be difficult to predict – may cause actual results to differ materially from the expectations expressed in the forward-looking statements. Risk factors that could cause, individually or in the aggregate, such differences include: strategic, credit, market (including equity, commodity, foreign exchange, interest rate, and credit spreads), operational (including technology, cyber security, and infrastructure), model, insurance, liquidity, capital adequacy, legal, regulatory compliance and conduct, reputational, environmental and social, and other risks. Examples of such risk factors include general business and economic conditions in the regions in which the Bank operates; geopolitical risk; inflation, rising rates, and recession; the economic, financial, and other impacts of pandemics, including

the COVID-19 pandemic; the ability of the Bank to execute on long-term strategies and shorter-term key strategic priorities, including the successful completion of acquisitions and dispositions, business retention plans, and strategic plans; technology and cyber security risk (including cyber-attacks, data security breaches or technology failures) on the Bank's information technology, internet, network access or other voice or data communications systems or services; model risk; fraud activity; the failure of third parties to comply with their obligations to the Bank or its affiliates, including relating to the care and control of information, and other risks arising from the Bank's use of third-party service providers; the impact of new and changes to, or application of, current laws and regulations, including without limitation tax laws, capital guidelines and liquidity regulatory guidance; regulatory oversight and compliance risk; increased competition from incumbents and new entrants (including Fintechs and big technology competitors); shifts in consumer attitudes and disruptive technology; exposure related to significant litigation and regulatory matters; ability of the Bank to attract, develop and retain key talent; changes to the Bank's credit ratings; changes in foreign exchange rates, interest rates, credit spreads and equity prices; increased funding costs and market volatility due to market illiquidity and competition for funding; Interbank Offered Rate (IBOR) transition risk; critical accounting estimates and changes to accounting standards, policies, and methods used by the Bank; existing and potential international debt crises; environmental and social risk (including climate change); and the occurrence of natural and unnatural catastrophic events and claims resulting from such events. The Bank cautions that the preceding list is not exhaustive of all possible risk factors and other factors could also adversely affect the Bank's results. For more detailed information, please refer to the "Risk Factors and Management" section of the 2022 MD&A, as may be updated in subsequently filed quarterly reports to shareholders. All such factors, as well as other uncertainties and potential events, and the inherent uncertainty of forward-looking statements, should be considered carefully when making decisions with respect to the Bank. The Bank cautions readers not to place undue reliance on the Bank's forward-looking statements.

Material economic assumptions underlying the forward-looking statements contained in this Prospectus and any documents incorporated by reference are set out in the 2022 MD&A under the headings "Economic Summary and Outlook", under the headings "Key Priorities for 2023" and "Operating Environment and Outlook" for the Canadian Personal and Commercial Bank, U.S. Retail, Wealth Management and Insurance, and Wholesale Banking segments, and under the heading "2022 Accomplishments and Focus for 2023" for the Corporate segment, each as may be updated in subsequently filed quarterly reports to shareholders.

Any forward-looking statements contained in this Prospectus represent the views of management only as of the date of this Prospectus and are presented for the purpose of assisting prospective purchasers of the Bank's securities in understanding the Bank's financial position, objectives and priorities, and anticipated financial performance as at and for the periods ended on the dates presented, and may not be appropriate for other purposes. The Bank does not undertake to update any forward-looking statements, whether written or oral, that may be made from time-to-time by or on its behalf, except as required under applicable securities legislation. See "Risk Factors".

BANK RECAPITALIZATION BAIL-IN REGIME

On June 22, 2016, legislation came into force amending the Bank Act and the *Canada Deposit Insurance Corporation Act* (the "CDIC Act") and certain other federal statutes pertaining to banks to create a bail-in regime for Canada's domestic systemically important banks, which include the Bank. On September 23, 2018, regulations under the CDIC Act and the Bank Act came into force providing the details of the conversion regime for bail-in instruments issued by domestic systemically important banks, including the Bank (collectively, the "Bail-In Regulations"). Pursuant to the CDIC Act, in circumstances where the Superintendent has determined that the Bank has ceased, or is about to cease, to be viable, the Governor in Council may, upon a recommendation of the Minister of Finance that he or she is of the opinion that it is in the public interest to do so, grant an order directing the Canada Deposit Insurance Corporation to convert all or a portion of certain shares and liabilities of the Bank into Common Shares (a "Bail-In Conversion").

The Bail-In Regulations prescribe the types of shares and liabilities that will be subject to a Bail-In Conversion. In general, any senior debt securities with an initial or amended term to maturity greater than 400 days that are unsecured or partially secured and have been assigned a CUSIP or ISIN or similar identification number would be subject to a Bail-In Conversion. Shares, other than Common Shares, and subordinated debt, including the Debt Securities, would also be subject to a Bail-In Conversion, unless they are non-viability contingent capital ("NVCC") instruments. However, certain other debt obligations of the Bank such as structured notes (as defined in the Bail-In Regulations), covered bonds and certain derivatives would not be subject to a Bail-In Conversion.

Any shares and liabilities issued before the date the Bail-in Regulations came into force would not be subject to a Bail-In Conversion, unless, in the case of a liability, the terms of such liability are, on or after that day, amended to increase its principal amount or to extend its term to maturity and the liability, as amended, meets the requirements to be subject to a Bail-in Conversion.

Holders of the Bank's subordinated notes (including the Debt Securities), preferred shares (including the Preferred Shares) and Common Shares who receive Common Shares following the occurrence of a trigger event under the NVCC Provisions, may sustain substantial dilution following a Bail-In Conversion including, in the case of holders of subordinated notes or preferred shares, if the conversion rate of other securities is more favourable to the holders of such securities than the rate applicable to holders of subordinated notes or preferred shares. The Bail-In Regulations prescribe that holders of bail-in eligible instruments that are subject to a Bail-In Conversion must receive more Common Shares per dollar amount converted than holders of any subordinate ranking bail-in eligible instruments or NVCC instruments converted.

In the event any Securities issued under this Prospectus are subject to the bail-in regime, the applicable Prospectus Supplement will provide details of that regime.

DESCRIPTION OF THE DEBT SECURITIES

The following describes certain general terms and provisions of the Debt Securities. The particular terms and provisions of Debt Securities offered by a Prospectus Supplement, and the extent to which the general terms and provisions described below may apply to such Debt Securities, will be described in such Prospectus Supplement. Since the terms of a series of Debt Securities may differ from the general information provided in this Prospectus, in all cases an investor should rely on the information in the applicable Prospectus Supplement where it differs from information in this Prospectus.

The Debt Securities will be direct unsecured obligations of the Bank, constituting subordinated indebtedness for the purposes of the Bank Act, ranking equally and rateably with, or junior to, other subordinated indebtedness of the Bank from time to time issued and outstanding (other than subordinated indebtedness that has been further subordinated in accordance with its terms). In the event of the insolvency or winding-up of the Bank, the indebtedness evidenced by debentures issued by the Bank, including, if a trigger event has not occurred as contemplated under the specific NVCC Provisions applicable to such Debt Securities, any Debt Securities issued hereunder, will be subordinate in right of payment to the prior payment in full of the deposit liabilities of the Bank and all other liabilities of the Bank except liabilities which by their terms rank in right of payment equally with or subordinate to indebtedness evidenced by such debentures. Upon the occurrence of a trigger event under the NVCC Provisions, the subordination provisions of the Debt Securities will not be relevant since all Debt Securities will be converted into Common Shares which will rank on a parity with all other Common Shares.

The Debt Securities will not constitute deposits that are insured under the *Canada Deposit Insurance Corporation Act (Canada)*.

The specific variable terms of any offering of Debt Securities (including, where applicable and without limitation, the specific designation, the aggregate principal amount of the Debt Securities being offered, the currency or currency unit, the issue and delivery date, the maturity date, the issue price, the interest rate (either fixed or floating and, if floating, the manner of calculation thereof), the interest payment date(s), authorized denominations, any redemption, conversion (including any NVCC Provisions), exchange, sinking fund or repurchase provisions, the name of any Investment Dealer involved in the distribution of the Debt Securities, the compensation payable to any Investment Dealer, the method of distribution, the form (either global book-entry form, certificated form or uncertificated form) and the proceeds to the Bank) will be set forth in the Prospectus Supplement that will accompany this Prospectus. The Bank reserves the right to set forth in a Prospectus Supplement specific variable terms of any offering of Debt Securities which are not within the options and parameters set forth in this Prospectus.

The Bank may issue Debt Securities under one or more trust indentures (in each case between the Bank and a trustee determined by the Bank in accordance with applicable laws). Any series of Debt Securities may also be created and issued without a trust indenture. The applicable Prospectus Supplement that will accompany this Prospectus will set forth the terms and other information with respect to the offering of Debt Securities being offered thereby

Unless otherwise specified in the applicable Prospectus Supplement, each offering of Debt Securities will be issued in “book-entry only” form. See “Book-Entry Only Securities”.

Rights of a holder of a Debt Security represented by a global certificate or an uncertificated Security in book-entry form, including voting rights, must be exercised through a CDS Participant in accordance with the rules and procedures of CDS. See “Book-Entry Only Securities”.

There is no limit on the amount of Debt Securities that the Bank may issue.

DESCRIPTION OF COMMON SHARES

The authorized common share capital of the Bank consists of an unlimited number of Common Shares without nominal or par value. The holders of Common Shares are entitled to vote at all meetings of the shareholders of the Bank except meetings at which only holders of a specified class or series of shares are entitled to vote. The holders of Common Shares are entitled to receive dividends as and when declared by the Board of Directors of the Bank, subject to the preference of the holders of the preferred shares (including the Preferred Shares) of the Bank. After payment to the holders of the preferred shares of the Bank of the amount or amounts to which they may be entitled, and after payment of all outstanding debts, the holders of Common Shares shall be entitled to receive the remaining property of the Bank upon the liquidation, dissolution or winding-up thereof.

DESCRIPTION OF PREFERRED SHARES

The following describes certain general terms and provisions of the Preferred Shares. The particular terms and provisions of a series of Preferred Shares offered by a Prospectus Supplement, and the extent to which the general terms and provisions described below may apply thereto, will be described in such Prospectus Supplement.

Issuable in Series

The Preferred Shares may be issued from time to time, in one or more series, with such rights, privileges, restrictions and conditions as the Board of Directors of the Bank may determine.

Priority

The Preferred Shares of each series will rank on a parity with every other series of Preferred Shares and will rank prior to the Common Shares and to any other shares of the Bank ranking junior to the Preferred Shares with respect to the payment of dividends and the distribution of assets in the event of the liquidation, dissolution or winding-up of the Bank, provided that a trigger event has not occurred as contemplated under the specific NVCC Provisions applicable to such Preferred Shares. Upon the occurrence of a trigger event under the NVCC Provisions, the priority of the Preferred Shares will not be relevant since all Preferred Shares will be converted into Common Shares which will rank on a parity with all other Common Shares.

Restriction

Pursuant to the Bank Act, the Bank may not, without the approval of the holders of the Preferred Shares, create any class of shares ranking prior to or on a parity with the Preferred Shares.

Amendment of Class Provisions

Approval of amendments to the provisions of the Preferred Shares as a class may be given in writing by the holders of all the outstanding Preferred Shares or by a resolution carried by an affirmative vote of at least two-thirds of the votes cast at a meeting at which the holders of a majority of the then outstanding Preferred Shares are present or represented by proxy or, if no quorum is present at such meeting, at an adjourned meeting at which the shareholders then present or represented by proxy may transact the business for which the meeting was originally called.

Priority on Liquidation, Dissolution or Winding-up

In the event of the liquidation, dissolution or winding-up of the Bank, provided that a trigger event has not occurred as contemplated under the specific NVCC Provisions applicable to the Preferred Shares, before any amounts shall be paid to or any assets distributed among the holders of the Common Shares or shares of any other class of the Bank ranking junior to the Preferred Shares, the holder of a Preferred Share of a series shall be entitled to receive to the extent provided for with respect to such Preferred Shares by the conditions attaching to such series: (i) an amount equal to the amount paid up thereon; (ii) such premium, if any, as has been provided for with respect to the Preferred Shares of such series; and (iii) all unpaid cumulative dividends, if any, on such Preferred Shares and, in the case of non-cumulative Preferred Shares, all declared and unpaid non-cumulative dividends. After payment to the holders of the Preferred Shares of the amounts so payable to them, they shall not be entitled to share in any further distribution of the property or assets of the Bank.

Voting Rights

There are no voting rights attaching to the Preferred Shares except to the extent provided in any series or by the Bank Act.

Creation and Issue of Additional Shares

The Bank may not, without the prior approval of the holders of the Preferred Shares, create or issue (i) any shares ranking in priority to or on a parity with the Preferred Shares; or (ii) any additional series of Preferred Shares unless at the date of such creation or issuance all cumulative dividends and any declared and unpaid non-cumulative dividends shall have been paid or set apart for payment in respect of each series of Preferred Shares then issued and outstanding.

DESCRIPTION OF WARRANTS

The following describes certain general terms and provisions that will apply to the Warrants. The particular terms and provisions of Warrants offered by a Prospectus Supplement, and the extent to which the general terms and provisions described below apply to such Warrants, will be described in such Prospectus Supplement.

Each series of Warrants will be issued under a separate indenture (each, a “Warrant Indenture”) in each case between the Bank and a trustee determined by the Bank. The statements below relating to any Warrant Indenture and the Warrants to be issued thereunder are summaries of certain anticipated provisions thereof, are not complete and are subject to, and qualified by reference to all provisions of the applicable Warrant Indenture. The applicable Prospectus Supplement will include details of the Warrant Indenture with respect to the Warrants being offered. Reference is made to the applicable Prospectus Supplement which will accompany this Prospectus for the terms and other information with respect to the offering of Warrants being offered thereby.

The particular terms and provisions of each issue of Warrants providing for the issuance of Preferred Shares on exercise of Warrants will be described in the related Prospectus Supplement and may include the designation, number and terms of the Preferred Shares purchasable upon exercise of the Warrants, any procedures that will result in the adjustment of these numbers, the exercise price, dates and periods of exercise, the currency in which the Warrants are issued and any other specific terms of the Warrants.

DESCRIPTION OF SUBSCRIPTION RECEIPTS

The following describes certain general terms and provisions that will apply to the Subscription Receipts. The particular terms and provisions of Subscription Receipts offered by a Prospectus Supplement, and the extent to which the general terms and provisions described below apply to such Subscription Receipts, will be described in such Prospectus Supplement.

Subscription Receipts may be offered separately or together with Debt Securities, Preferred Shares or Common Shares, as the case may be, and may be exchanged by the holders thereof for Debt Securities, Preferred Shares or Common Shares upon the satisfaction of certain conditions. Subscription Receipts will be issued under a subscription receipt agreement between the Bank and an escrow agent. The statements below relating to any subscription receipt agreement and the Subscription Receipts to be issued thereunder are summaries of certain anticipated provisions thereof, are not complete and are subject to, and qualified by reference to all provisions of the applicable Subscription Receipts. The applicable Prospectus Supplement will include details of the subscription receipt agreement with respect to the Subscription Receipts being offered. Reference is made to the applicable Prospectus Supplement which will accompany this Prospectus for the terms and other information with respect to the offering of Subscription Receipts being offered thereby.

Subscription Receipts

The particular terms and provisions of each issue of Subscription Receipts providing for the issuance of Debt Securities, Preferred Shares or Common Shares on the exchange of Subscription Receipts will be described in the related Prospectus Supplement and may include the number of Subscription Receipts and the price at which they will be issued and whether

the price is payable in instalments, any conditions to the exchange of Subscription Receipts into Debt Securities, Preferred Shares or Common Shares, as the case may be, and the consequences of such conditions not being satisfied, the procedures for the exchange of the Subscription Receipts into Debt Securities, Preferred Shares or Common Shares, as the case may be, the number of Debt Securities, Preferred Shares or Common Shares, as the case may be, that may be exchanged upon exercise of each Subscription Receipt, the dates or periods during which the Subscription Receipts may be exchanged into Debt Securities, Preferred Shares or Common Shares, as the case may be, whether such Subscription Receipts will be listed on any securities exchange, and any other rights, privileges, restrictions and conditions attaching to the Subscription Receipts.

Prior to the exchange of their Subscription Receipts, holders of Subscription Receipts will not have any of the rights of holders of the securities subject to the Subscription Receipts.

BOOK-ENTRY ONLY SECURITIES

CDS Clearing and Depository Services Inc.

Securities issued in “book-entry only” form must be purchased, transferred or redeemed through participants (“CDS Participants”) in the depository service of CDS Clearing and Depository Services Inc. or a successor or its nominee (collectively, “CDS”). Each of the Investment Dealers named in an accompanying Prospectus Supplement offering securities in “book-entry only” form will be a CDS Participant. On the closing of a book-entry only offering, the Bank will cause a global certificate or certificates representing the aggregate number of Securities subscribed for under such offering to be delivered to, and registered in the name of, CDS or will cause the Securities to be issued or authenticated in uncertificated format, as applicable. Except as described below, no purchaser of Securities will be entitled to a certificate or other instrument from the Bank or CDS evidencing that purchaser’s ownership thereof, and no purchaser will be shown on the records maintained by CDS except through a book-entry account of a CDS Participant acting on behalf of such purchaser. Each purchaser of Securities will receive a customer confirmation of purchase from the Investment Dealer from which the Securities are purchased in accordance with the practices and procedures of that Investment Dealer. The practices of Investment Dealers may vary, but generally customer confirmations are issued promptly after execution of a customer order. Reference in this Prospectus to a holder of Securities means, unless the context otherwise requires, the owner of the beneficial interest in the Securities.

CDS will be responsible for establishing and maintaining book-entry accounts for CDS Participants having interests in the Securities. If (i) the book-entry only system ceases to exist, (ii) the Bank determines that CDS is no longer willing or able to discharge properly its responsibilities as depository with respect to the Securities and the Bank is unable to locate a qualified successor, or (iii) the Bank at its option elects, or is required by applicable law or the rules of any securities exchange, to withdraw the Securities from the book-entry only system, then physical certificates representing the Securities will be issued to holders thereof or their nominees.

Transfer, Conversion and Redemption of Securities

Transfers of ownership, conversions or redemptions of Securities will be effected only through records maintained by CDS for such Securities with respect to interests of CDS Participants and on the records of CDS Participants with respect to interests of persons other than CDS Participants. Holders of Securities who are not CDS Participants, but who desire to purchase, sell or otherwise transfer ownership of or other interests in the Securities, may do so only through CDS Participants. The ability of a holder to pledge Securities or otherwise take action with respect to such holder’s interest in Securities (other than through a CDS Participant) may be limited due to the lack of a physical certificate.

Payments and Deliveries

The Bank will make, or cause to be made, payments of principal, redemption price, if any, dividends and interest, as applicable, on Securities to CDS as the registered holder of the Securities and the Bank understands that the payment will be forwarded by CDS to CDS Participants in accordance with the customary practices and procedures of CDS. As long as CDS is the registered owner of the Securities, CDS will be considered the sole owner of the Securities for the purposes of receiving notices or payments on the Securities. As long as the Securities are held in the CDS book-entry

only system, the responsibility and liability of the Bank in respect of the Securities is limited to making payments of principal, redemption price, if any, dividends and interest, as applicable, on the Securities to CDS, as registered holder of the Securities. The Bank expects that CDS, upon receipt of any payment in respect of Securities, will credit CDS Participants' accounts in amounts proportionate to their respective interests in the principal amount of such Securities as shown on the records of CDS in accordance with the customary practices and procedures of CDS. The Bank also expects that payments by CDS Participants to the owners of beneficial interests in Securities held through such CDS Participants will be governed by standing instructions and customary practices, and will be the responsibility of such CDS Participants. The rules governing CDS provide that it acts as the agent and depository for the CDS Participants. As a result, CDS Participants must look solely to CDS, and persons other than CDS Participants having an interest in Securities must look solely to CDS Participants, for payments or deliveries made by or on behalf of the Bank to CDS in respect of such Securities.

Each beneficial owner must rely on the procedures of CDS and, if such beneficial owner is not a CDS Participant, on the procedures of the CDS Participant through which such beneficial owner owns its interest, to exercise any rights with respect to the Securities. The Bank understands that under existing policies of CDS and industry practices, if the Bank requests any action of a beneficial owner or if a beneficial owner desires to give any notice or take any action which a registered holder is entitled to give or take with respect to the Securities, CDS would authorize the CDS Participant acting on behalf of the beneficial owner to give such notice or to take such action, in accordance with the procedures established by CDS or agreed to from time to time by the Bank, any Trustee and CDS. Any beneficial owner that is not a CDS Participant must rely on the contractual arrangement it has directly, or indirectly through its financial intermediary, with its CDS Participant to give such notice or take such action.

None of the Bank, the Investment Dealers, the Trustee or any other trustee (in the case of Debt Securities) will assume liability or responsibility for (i) any aspect of the records relating to the beneficial ownership of the Securities held by CDS or the payments or deliveries relating thereto, (ii) maintaining, supervising or reviewing any records relating to the Securities, or (iii) any advice or representation made by or with respect to CDS relating to the rules governing CDS or any action to be taken by CDS or at the direction of CDS Participants.

BANK ACT RESTRICTIONS AND RESTRICTIONS ON PAYMENT OF DIVIDENDS

The Bank Act contains restrictions on the issue, transfer, acquisition, beneficial ownership and voting of all shares of a chartered bank. For example, no person shall be a major shareholder of a bank if the bank has equity of \$12 billion or more (which would include the Bank). A person is a major shareholder of a bank where: (i) the aggregate of shares of any class of voting shares beneficially owned by that person, by entities controlled by that person and by any person associated or acting jointly or in concert with that person is more than 20% of that class of voting shares; or (ii) the aggregate of shares of any class of non-voting shares beneficially owned by that person, by entities controlled by that person and by any person associated or acting jointly or in concert with that person is more than 30% of that class of non-voting shares. No person shall have a significant interest in any class of shares of a bank, including the Bank, unless the person first receives the approval of the Minister of Finance (Canada). For purposes of the Bank Act, a person has a significant interest in a class of shares of a Canadian chartered bank where the aggregate of any shares of the class beneficially owned by that person, by entities controlled by that person and by any person associated or acting jointly or in concert with that person exceeds 10% of all of the outstanding shares of that class of shares of such bank. Purchasers of Securities (and CDS Participants) may be required to furnish declarations relating to ownership (and ownership by clients of such CDS Participants) in a form prescribed by the Bank.

The Bank Act also prohibits the registration of a transfer or issue of any share of the Bank to, and the exercise, in person or by proxy, of any voting rights attached to any share of the Bank that is beneficially owned by, His Majesty in right of Canada or of a province or any agent or agency of His Majesty in either of those rights, or to the government of a foreign country or any political subdivision, agent or agency of any of them, except for certain cases that require the Minister of Finance's consent.

Under the Bank Act, the Bank cannot redeem or purchase any of its shares, including the Preferred Shares, unless the consent of the Superintendent has been obtained. In addition, the Bank Act prohibits a payment to purchase or redeem any shares or the declaration of a dividend if there are reasonable grounds for believing that the Bank is, or the payment

would cause the Bank to be, in contravention of the capital adequacy and liquidity regulations of the Bank Act or directions of the Superintendent.

In addition, the ability to pay dividends on the Common Shares without the approval of the holders of the outstanding Preferred Shares is restricted unless all dividends on the Preferred Shares have been declared and paid or set apart for payment.

The Bank's financial results are prepared in accordance with International Financial Reporting Standards ("IFRS"), the current generally accepted accounting principles ("GAAP"). The Bank refers to results prepared in accordance with IFRS as "reported" results. The Bank also utilizes non-GAAP financial measures referred to as "adjusted" results to assess each of its businesses and to measure overall Bank performance. To arrive at adjusted results, the Bank removes "items of note" from reported results. The items of note relate to items which management does not believe are indicative of underlying business performance. The Bank believes that adjusted results provide the reader with a better understanding of how management views the Bank's performance. As explained, adjusted results are different from reported results determined in accordance with IFRS. Adjusted results, items of note, and related terms used herein are not defined terms under IFRS, and, therefore, may not be comparable to similar terms used by other issuers. Please refer to the "Financial Results Overview – How the Bank Reports" section of the Bank's 2022 MD&A for further explanation, reported basis results, a list of the items of note, and a reconciliation between the Bank's reported and adjusted results.

LEGAL MATTERS

Unless otherwise specified in the Prospectus Supplement, certain legal matters relating to the Securities offered by a Prospectus Supplement will be passed upon, on behalf of the Bank, by McCarthy Tétrault LLP.

WELL-KNOWN SEASONED ISSUER

On December 6, 2021, each of the Canadian provincial and territorial securities regulatory authorities adopted a series of substantively harmonized blanket orders (collectively, the "WKSI Blanket Orders") with the intention of reducing the regulatory burden associated with certain prospectus requirements under National Instrument 44-101 – *Short Form Prospectus Distributions* and National Instrument 44-102 – *Shelf Distributions* for certain large, established reporting issuers with strong disclosure records. The WKSI Blanket Orders came into effect on January 4, 2022. This Prospectus is filed by the Bank in reliance on the WKSI Blanket Orders, which allow "well-known seasoned issuers" (as such term is defined in the WKSI Blanket Orders) or "WKSIIs" to file a final short form base shelf prospectus as the first public step in an offering, and exempt qualifying issuers from certain disclosure requirements relating to such final short form base shelf prospectus. As of January 17, 2023, the Bank has determined it qualifies as a 'well-known seasoned issuer', as such term is defined under the WKSI Blanket Orders, as the Bank had outstanding listed equity securities with a public float of at least \$500,000,000.

PURCHASERS' STATUTORY RIGHTS

Securities legislation in certain of the provinces and territories of Canada provides purchasers with the right to withdraw from an agreement to purchase securities. This right may be exercised within two business days after receipt or deemed receipt of a prospectus and any amendment. In several of the provinces and territories, the securities legislation further provides a purchaser with remedies for rescission or, in some jurisdictions, revisions of the price or damages if the prospectus and any amendment contains a misrepresentation or is not delivered to the purchaser, provided that the remedies for rescission, revisions of the price or damages are exercised by the purchaser within the time limit prescribed by the securities legislation of the purchaser's province or territory. The purchaser should refer to any applicable provisions of the securities legislation of the purchaser's province or territory for the particulars of these rights or consult with a legal adviser.

Original purchasers of Securities which are convertible, exchangeable or exercisable for other securities of the Bank will have a contractual right of rescission against the Bank in respect of the conversion, exchange or exercise of such Securities. The contractual right of rescission will entitle such original purchasers to receive the amount paid upon conversion, exchange or exercise upon surrender of the underlying securities gained thereby, in the event that this Prospectus, the applicable Prospectus Supplement or any amendment to this Prospectus or the applicable Prospectus Supplement contains a misrepresentation, provided that (i) the conversion, exchange or exercise takes place within 180 days of the date of the purchase of the convertible, exchangeable or exercisable Security under this Prospectus and the

applicable Prospectus Supplement, and (ii) the right of rescission is exercised within 180 days of the date of the purchase of such convertible, exchangeable or exercisable Security. Original purchasers are further advised that in certain of the provinces and territories of Canada the statutory right of action for damages in connection with a prospectus misrepresentation is limited to the price at which the convertible, exchangeable or exercisable security is offered to the public and, therefore, a further payment at the time of conversion, exchange or exercise may not be recoverable in a statutory action for damages. The purchaser should refer to the applicable provisions of the securities legislation of the purchaser's province or territory for the particulars of these rights or consult with a legal adviser.
