The Aeroplan program is a loyalty rewards and recognition program operated by Air Canada's subsidiary Aeroplan Inc. Visit aircanada.com/aeroplan for complete terms and conditions of the Aeroplan program.

- Purchase of Gas, Grocery, Travel, or Dining or Air Canada Products** means a Purchase of gas or gas station services or products or a Purchase of grocery or grocery items including those at grocery locations, or a Purchase of travel products and services including hotels, flights and vacations booked via a third party travel agency or website, or a Purchase of dining items including those at restaurants, or a Purchase from Air Canada or of any of Air Canada's products and services, each from a merchant classified through the Visa network with a merchant category code (**MCC**) that identifies the merchant in the "gas" or "grocery" or "travel" or "dining" or "Air Canada" category. **Aeroplan points are earned on Purchases charged to the Account as follows:**
 - 2 Aeroplan points (Air Canada Bonus Rate) earned for each \$1 in Purchases of Air Canada Products; or
 - 1.5 Aeroplan points (Bonus Rate) earned for each \$1 in Purchases of Gas, Grocery, Travel or Dining Products; or
 - 1.25 Aeroplan points earned for each \$1 in all other Purchases.

Air Canada Bonus Rate and Bonus Rate are earned only on a maximum annual amount of \$100,000 of Purchases of Air Canada Products, Gas, Grocery, Travel or Dining Products.

Please contact TD if you wish to confirm the MCC that applies to a particular merchant, or if the Purchase qualifies as a Purchase of Gas, Grocery, Travel, Dining or Air Canada Products. If you have earned Aeroplan points on the maximum annual amount of Purchases of Gas, Grocery, Travel, Dining or Air Canada Products charged to your Account (from January 1 to December 31) or if your Purchase does not qualify as a Purchase of Gas, Grocery, Travel, Dining or Air Canada Products, you will instead earn the standard rate of Aeroplan points that applies to all other Purchases charged to the Account as described above. The Air Canada Bonus Rate and Bonus Rate are in place of and not in addition to the standard rate of Aeroplan points earned on all other Purchases charged to the Account.

- The Toronto-Dominion Bank is not responsible for any Aeroplan points earned under this "earn points twice" feature of the Aeroplan program when the Aeroplan Membership Card is presented. See your Aeroplan program for full details at aircanada.com/earn. Feature may be changed, withdrawn or extended at any time and cannot be combined with any other offer.
- Threshold Benefit: Aeroplan Elite Status Qualification Boost (for benefit of Primary Cardholder only)** For every \$5,000 in net purchases (less any returns and credits) charged to the credit card Account, Primary Cardholders will receive 1,000 Status Qualifying Miles (SQM) and 1 Status Qualifying Segment (SQS), to be deposited in their Aeroplan member Account at the end of the next credit card Account billing period. Please allow up to 1 week after your credit card Account statement date for the deposit to appear. SQM and SQS are not redeemable towards Aeroplan rewards and only count toward

Aeroplan Elite Status qualification. SQM do not count towards Million Mile Status. Additional Cardholder(s) are not eligible to receive SQM or SQS through this benefit; however, all net spend by Additional Cardholder(s) will count towards the Primary Cardholder's spend. The Cardholder may earn unlimited bonus SQM and SQS during an Elite Status qualification period. All Aeroplan Elite Status conditions apply and can be reviewed at aircanada.com/elite-termsandconditions

- 4 Primary Cardholder remains liable for all charges to the Account, including those made by any Additional Cardholder.
- 5 Primary TD Cardholders will often require fewer Aeroplan points to redeem for flight rewards through the Aeroplan program than Aeroplan Members who do not hold an Aeroplan co-branded Credit Card. Preferred pricing for flight rewards applies only to flight rewards with Air Canada, not on other airlines. The Toronto-Dominion Bank is not responsible for the Aeroplan program and flight rewards' points pricing provided under this program. Visit aircanada.com/aeroplan for full details. Feature may be changed, withdrawn or extended at any time and cannot be combined with any other offer.
- 6 Number of destinations based on the published 2019 route network of Air Canada and its airline partners. Due to travel restrictions, government recommendations and passenger demand resulting from the impact of COVID-19, available destinations may vary.
- 7 **Preconditions/General T&Cs** The Aeroplan number of the person accessing the benefit must be included in the qualifying reservation, and the name on the airline reservation must be identical to the name on the Aeroplan Account of the traveller. For Additional Cardholders' ability to access available benefits, their Aeroplan number must be linked to a valid credit card Account as verified by the bank. Linking can be done by visiting www.aircanada.com/linkmycard. Please allow up to 72 hours after the credit card is approved, or the Aeroplan number of the Additional Cardholder is linked to the Additional Cardholder credit card, for these benefits to be activated. Aeroplan member Accounts of the Primary Cardholder and Additional Cardholder(s) must be in good standing at time of flight for airline benefits to apply. Benefit only applies for flights operated by Air Canada, Air Canada Rouge, or under the Air Canada Express brand. Priority on standby and upgrade lists is determined by several factors, including, but not limited to, holding Aeroplan Elite Status, an eligible Aeroplan-branded credit card, and other rules as determined by Air Canada in its sole discretion and as may be changed by Air Canada from time to time. See aircanada.com/elite-termsandconditions for applicable Aeroplan Elite Status and eUpgrade conditions.

¹² **Annual Worldwide Companion Pass** Primary Cardholders will receive one (1) Companion Pass after spending more than \$25,000 on net purchases (less any returns and credits) in the 12 months prior to Card renewal date. The pass will be deposited into the Aeroplan Account up to 10 weeks after your Cardholder renewal date. The pass entitles a companion to accompany Primary Cardholder for a fixed base fare, when Primary Cardholder books a published economy fare on a flight marketed and operated by Air Canada, Air Canada Rouge or under the Air Canada Express brand. Passes are valid for 12 months from the date issued. The pass is valid towards a new booking only, and not valid on existing reservations. Bookings must be made directly with Air Canada, via aircanada.com, the Air Canada Mobile App, or through the Air Canada call centre (“Air Canada Reservations”). Valid for one round-trip for a companion when travelling on the same itinerary and booked at the same time as Primary Cardholder. Maximum one companion pass may be used per booking. If one-way travel is booked, the full base fare will be charged, the pass will be deemed fully used and the return portion of travel is forfeited. Total pricing varies based on itinerary booked. Primary Cardholder may use the pass only once on their choice of travel (i) within Canada and continental United States (excluding Hawaii) for \$99 CAD base fare (ii) to/from Hawaii, Mexico, Central America, and the Caribbean for \$299 CAD base fare, (iii) to/from South America, Europe, Middle East, and Africa for \$499 CAD base fare, and (iv) to/from Asia, Australia, and New Zealand for \$599 base fare. Companion will be responsible to pay all applicable taxes, fees, charges and surcharges that apply above the companion’s base fare. All travel must originate or terminate in Canada or the United States. Valid for travel at any time with no blackout periods. Also valid against the purchase of fares on sale. Companion will be booked into same fare brand as Primary Cardholder and will receive all applicable benefits and services associated with that fare brand. The pass may not be used with premium cabin fares, or in conjunction with Aeroplan flight rewards, Flight Pass, group travel bookings, Air Canada Vacations bookings, or any other discounts or promotion codes. The pass must be redeemed at time of purchase, and if multiple companion passes are available for the Aeroplan number, the pass that would expire first will be used. Booking must be made before the pass expiry date; travel may occur after the pass expiry date subject to flight schedule availability at the time of booking. Pass may only be used as described, cannot be transferred and has no monetary or exchange value. Changes or cancellations are allowed according to the fare rules of the fare purchased. Changes and cancellations must be made at the same time for both guests, and failure to do so may result in a forfeit of the companion pass. If during a change or cancellation the pass is reinstated in the Primary Cardholder’s Account, the original expiry date will take effect and the pass may then be considered expired. In the event of a change or cancellation, travellers are required to pay all applicable fees based on the fare type purchased for each ticket, plus the difference in fare, if applicable, and all applicable taxes, fees, charges and surcharges that apply above the base fare. Companions who are members of Aeroplan or other partner frequent flyer programs are eligible to accumulate points and/or miles for the ticket issued in exchange for the companion pass according to conditions of the fare brand purchased. Aeroplan Elite Status benefits and upgrades are applicable if the traveller holds appropriate status and the fare purchased allows. Air Canada reserves the right to apply additional fees for bookings made via Air Canada Reservations. Unused passes will automatically be cancelled on the date the credit card is closed, regardless of reason for closure, or if the credit card Account is changed to a different product. Terms and conditions of the air transportation services on Air Canada are subject to the General Conditions of Carriage & Tariffs (aircanada.com/conditionsofcarriage) at the time of redemption.

- ¹³ **Rollover of Status Qualifying Miles** Primary Cardholders who also hold Aeroplan Elite Status will be able to roll over up to a maximum of 200,000 Status Qualifying Miles (SQM) from the prior qualification year to the next qualification year. This benefit applies when the member qualified for Aeroplan Elite Status by earning the required Status Qualifying Miles or Status Qualifying Segments (SQS), as well as the required Status Qualifying Dollars (SQD), in the prior qualification year. If the member has been granted complimentary status, as determined by Air Canada, that is higher than the status they would have earned via their Status Qualifying balances, the rollover amount will be based on the status they would have earned otherwise (if any), and not the granted status. SQM rolled over from the previous qualifying year will apply towards status qualification for the following qualifying year. Rollover SQM will be deposited directly into the member's Aeroplan Account no later than March 30 of any given year, provided the member earned at least Aeroplan 25K Status based on their Status Qualifying balances from the prior qualifying year. Rollover does not apply to SQS or SQD. Benefit is only available to Primary Cardholders and does not apply to Additional Cardholders. In the event the credit card is changed to a different product or the Account is closed, regardless of reason for closure, any SQM rolled over as a result of this benefit will be removed from the Aeroplan Account, and any status earned as a result of these rolled over Status Qualifying Miles may also be rescinded. SQM do not count towards Million Mile Status and are not redeemable towards Aeroplan rewards. Where a Primary Cardholder is eligible to roll over SQM under another Aeroplan credit card, the total cumulative roll over of all SQM towards Aeroplan Elite Status cannot exceed the maximum of 200,000 SQM. All Aeroplan Elite Status conditions apply and can be reviewed at aircanada.com/elite-termsandconditions
- ¹⁴ **Rollover of eUpgrade credits** Primary Cardholders who also hold Aeroplan Elite Status will be able to roll over up to a maximum of 50 eUpgrade credits received in the prior status year to the next status year. eUpgrade credits issued on a promotional basis, as well as those already rolled over from a previous benefit year, are not eligible for this benefit. Rollover eUpgrade credits will be deposited directly into the member's Aeroplan Account no later than March 30 of any given year, provided the member holds Aeroplan Elite Status at that time, and held Aeroplan Elite Status in the previous benefit year. If the credit card is changed to a different product or the Account is closed, regardless of reason for closure, any unused, rolled over eUpgrade credits will be forfeited and removed from the member's eUpgrade Account. Benefit is only available to Primary Cardholders and does not apply to Additional Cardholders. Where a Primary Cardholder is eligible to roll over eUpgrade credits under another Aeroplan credit card, the total cumulative roll over of all eUpgrade credits cannot exceed the maximum of 50 eUpgrade credits. All eUpgrade conditions apply and can be reviewed at aircanada.com/eupgrade-termsandconditions
