Emergency Service Calls *Up to 200 kilometres*

We'll help you get back on the road in a hurry should you:

- Have a dead battery
- Require a tire change (not including repairs)
- Require delivery of gas to a stranded vehicle (includes cost of 10 litres of gas)

Gas Delivery

In the event that your vehicle runs out of fuel on a regularly travelled road, a service vehicle will deliver, where possible, up to 10 litres of fuel so that you can proceed to the nearest gas station. In areas where fuel delivery is prohibited, your vehicle will be towed to the closest gas station and the cost of fuel will not be covered. An Approved Roadside Service Facility, within 200 kilometres of your vehicle, will provide these services to you at no cost.

Please note that the Business TD Auto Club does not pay for parts, repairs or labour.

In the event that you are unable to contact the Business TD Auto Club, or you elect to use a service facility of your choice, the reimbursement for Emergency Service calls will be at reasonable rates in accordance with the Business TD Auto Club standards, up to a maximum of **\$250 per call**.

Lockout Service

Up to 200 kilometres

In the event that you should lock keys in your vehicle, service to open your locked vehicle can be provided by an Approved Roadside Service Facility within 200 kilometres of your vehicle.

Please note that you assume responsibility for any damage to the vehicle as a result of an entry attempt. Cost of keys not included.

In the event that you are unable to contact the Business TD Auto Club, or you elect to use a locksmith of your choice, the reimbursement for Lockout Service may be up to **\$250 per call**.

Breakdown Towing

Up to 200 kilometres

The Business TD Auto Club can help if your car experiences a mechanical breakdown disabling it from proceeding under its own power.

Eligible towing costs are those incurred for moving your disabled vehicle from the site of the breakdown to the nearest repair service centre for repairs up to 200 kilometres. (Storage fees not included.)

The service is subject to reasonable industry rates in accordance with Business TD Auto Club standards. **Note:** Commercial vehicles exceeding 8,000 lb/3,600 kg are covered only on a reimbursement basis.

In the event that you are unable to contact the Business TD Auto Club, or you elect to use a service facility of your choice, the reimbursement for Breakdown Towing may be up to **\$250 per call**.

Winching Services

Up to 200 kilometres

The Business TD Auto Club will also cover the cost of extrication services if your vehicle is stuck in snow or a ditch, and, once removed, can proceed under its own power. The vehicle must be accessible and located on, or adjacent to, a regularly travelled and government serviced road, and within 200 kilometres of an Approved Roadside Service Facility. (**Note:** If the vehicle is unable to proceed under its own power due to damage and needs to be towed, the Accident Towing Benefit on page 8 will apply.)

Please note that the winching service does not apply when a member is requesting service to

gain access out of an unshovelled driveway or laneway. You are responsible for maintaining the driveway or laneway.

Please note that if a winch service is required, it is considered a recovery service. Roadside Assistance Tow Operators will take every step possible to avoid incurring any damage to the vehicle. However, if after the recovery has been performed and damage is identified, the tow facility will not be held liable or accountable. Any such claim should be reported through your vehicle insurance provider.

Up to two service vehicles and specialized towing equipment will be dispatched on scene if required for a period of one hour each.

In the event that you are unable to contact the Business TD Auto Club, or you elect to use a service facility of your choice, the reimbursement for Winching Services will be up to **\$250 per call**.

Things you should know about the Emergency Road Services

- Always call **1-800-265-1289** as your first alternative when you need assistance in a roadside emergency. Approved Roadside Service Facilities have been contracted to provide service within designated areas of Canada and the Continental United States in order to avoid out-of-pocket costs to you (excluding recreational vehicles exceeding a **Gross Vehicle Weight (G.V.W.) of 8,000 lb/ 3,600 kg**).
- Always call **1-800-265-1289** if an Approved Roadside Service Facility is not available in the vicinity of your vehicle's breakdown. The Business TD Auto Club will refund the cost (costs incurred in accordance with Business TD Auto Club standards).
- If you require service outside Canada or the United States, use a convenient service facility and, upon your return, submit a claim for reimbursement to the Business TD Auto Club, subject to specified reimbursement limits.
- After you receive emergency road service, it is your responsibility to have the vehicle fixed, as the Business TD Auto Club will provide only one service call for the same mechanical problem.
- Business TD Auto Club Members are limited to six roadside assistance dispatch calls or

emergency road and towing service claims for reimbursement per membership year.

- Business TD Auto Club Emergency Road Services does not pay for parts, repairs or labour.

Should your breakdown occur out of reach of an Approved Roadside Service Facility with the required specialized equipment to service recreational vehicles, as a courtesy the Business TD Auto Club will contact, on your behalf, the closest service station for assistance, when possible, and will reimburse you for service up to the specified limit of \$250. Motor homes with a G.V.W. over 8,000 lb/3,600 kg are only covered on a reimbursement basis.

How to Make a Claim

- Have the service facility provide you with detailed receipts, including the cause of the breakdown and the service required. Claims for mechanical breakdown towing must be accompanied by a detailed repair bill as well as proof the repairs have been paid for.
- Make sure your full name, address and the TD Business Credit Card Account number are clearly printed on the receipt.
- Mail your original receipts to the Business TD Auto Club within 30 days of the date of the incident (keep a photocopy of all receipts for your personal records).
